

*What people  
are saying  
about this seminar...*

"As a Christian nurse working in mental health, I have seen that psychology alone does not usually bring total healing. The Christ-centered teaching of the Formational Prayer Seminar is helping me understand how the Holy Spirit works through the caregiver to bring inner healing, the missing piece in my work."

Eleanor, RN

"The Formational Prayer Seminar is an insightful and life-giving opportunity for training in healing those with wounded hearts. I am profoundly grateful to Dr. Wardle for his open and honest approach blending sound psychology and biblical Truth."

Thom, Pastor

"This is not a seminar — it is an invitation to an ongoing relationship with our Healer, Jesus Christ. I took this seminar to find healing for others and found it for myself."
